

Where FAITH & Real Life Come Together...

“Where Faith & Real Life Come Together is practical and accessible. I wish there were one hundred more books like this that I could recommend to people. Read it. Share it. Live it.”~**Matthew Kelly**, founder of DynamicCatholic.com and author of *The Four Signs of a Dynamic Catholic...*

“Where Faith & Real Life Come Together...” is a compilation of stories to help us notice how God is at work every day in our lives.
